

# Delphic HSE Solutions Ltd

**Training Day – EU Cosmetic Regulations, 1223/2009**  
**Tuesday May 10<sup>th</sup> 2011, Camberley, Surrey**  
**(Tuesday November 8<sup>th</sup> 2011, Kowloon, Hong Kong)**

On the 30th November 2009 a new Cosmetics Regulation was published by the European Union. This regulation aims to replace the existing EU Cosmetics Directive (76/768/EC, as amended), which at present is independently implemented by each EU Member State.

With aspects of the new Regulation due to be implemented in the next 12 months, including electronic registration of Cosmetics sold within the EU starting January 11<sup>th</sup> 2012, and full compliance required by July 11<sup>th</sup> 2013 we have been receiving an increasing number of enquiries regarding the Regulation and ensuring compliance with it.

In response to this, Delphic HSE are pleased to announce that they will be running a training day, on Tuesday May 10<sup>th</sup> 2011 which will provide an overview of the new Regulation as well as Question & Answer sessions with our Eurotox Registered Toxicologists to help with any specific queries you may have. ***If there is enough demand then we will be holding another Training Day on Tuesday November 8<sup>th</sup> 2011 in Kowloon, Hong Kong, please register your interest by returning the attached form.***

The day will be loosely split into four sessions and include Lunch as well as a Morning and Afternoon Break.
